Hello everyone,

I know this is kinda crazy...but we just created a goal to reach 100 reviews on Google within the next 24 hours!

If you've ever had a good experience with me in the past, would you mind leaving us a quick review on Google? Even if it's just one sentence, we would greatly appreciate it.

To make things more fun...

Everyone that leaves us a review will be entered to win a \$150 gift card to Amazon!

Winner will be announced next week.

If you haven't had a chance yet, would you mind leaving us a super quick review on Google? Even one short sentence would help us out so much.
